Course Description

A studio course building a personal portfolio. Students draw from observation, study color and composition, look at art history, and write short reflections on their own work.

Course Units

Weeks 1 to 3	Unit 1: Drawing and Observation Line, proportion, perspective and value drawing from still life and the figure.

Late and Make-Up Work

Work handed in late without an excused absence receives a maximum of 50 percent credit. With an excused absence, work is due within one week of returning. It is the student's responsibility to ask what was missed. Make-up tests are held on Thursdays after school and must be booked at least one day ahead.

Academic Honesty

All work submitted must be your own. Copying another student's work, or submitting text or code generated by someone or something else as your own, is treated as academic dishonesty and results in a zero for that assignment and a call home.

Extra Help

Extra help is available Tuesdays and Thursdays, 3:15 to 4:00 pm, in the room listed above.
