STAFF ONLY. Not for distribution to students.

Middletown High School | Grade 12, Fall Semester 2026 | Ms. A. Whitfield

Class Performance

Class average	74 percent
Highest score	98 percent
Lowest score	41 percent

Weak Area Identified

Chapter 2, quadratic functions. Students lose the most points on completing the square and on reading the discriminant.

Intervention Plan

Run two extra drill sessions before the mid-term. Re-teach completing the square with area models rather than formula recall.

Grading Breakdown Held by Staff

15 percent	Homework
15 percent	Classwork and participation
20 percent	Quizzes
25 percent	Unit tests
25 percent	Final exam

Department Notes

Four students are repeating the course and should be checked weekly. Calculator loans are available from the department office.
